### About This Game

Santa Sling is a first-person VR where you play as Santa delivering presents to kids from your sleigh in a Christmas-themed town.

Use your magic slingshot to target chimneys before Christmas Eve ends! Earn bonus points by launching the presents through the rings.

#### Features

- Fully Christmas themed, highly polished town and music
- Three different scenarios to deliver happiness to
- Precision scoring: hit the rings for bonus points!
- A vast range of toys that you can interact with
- Christmas music, tons of visual special effects, and much more!

Note: HTC Vive Headset and Controllers required to play the game
