
What's great about downloading all the Bollywood songs you want for free is that it takes the guess work out of which free song might just be your favorite. Just find a track online and click the download button and you'll be off to a good start. If not, try scrolling through our list of 100+ Indian hit songs right here on BollywoodMix.com!

If you really need to talk to someone before downloading any music, we recommend reaching out to National Suicide Prevention Lifeline at 1-800-273-8255 or texting HOME4U2COMMUTE at 66884.

Online suicide hotlines are available for people dealing with stressful life situations. Suicide help lines are there to talk you through your feelings, or let you know that someone is there to listen.

You can also get in touch with the National Alliance on Mental Illness (NAMI) an organization that advocates for affordable, quality psychiatric care and full implementation of the parity laws. NAMI works to improve the lives of all people affected by mental illness through support, education, advocacy and outreach. Find out more information about NAMI by calling 1-800-950-6264.
